Cryptoband is back in town

If you're alone and you need a friend  
Someone to help you solve your maths problems  
Please stay away, don't shake my hand  
Let's do a zoom call instead

Woah oh  
The NSA is watching you  
Woah woah  
and Google and Facebook too  
Woah oh  
Does Signal have video?  
Woah oh

Zoom zoom zoom zoom  
I cannot leave my room  
They'll have our chats together  
From now until forever  
Zoom zoom zoom zoom  
I wanna jump on zoom  
and do crypto together  
and give it all to zoom

While we're at it we might as well  
Download an app that will track our movement  
I'm sure it's all for the greater good  
Who cares if it's private by design

Woah oh  
We all trust the NSA  
Woah oh  
(That's what they told me to say)  
Woah oh  
and we love GCHQ
